House of Representatives

CONGRATULATING ELIZABETH MOORE-STUMP

HON. BOB FILNER
OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

MR. FILNER: Mr. Speaker, I rise today to honor Elizabeth Moore-Stump, who has devoted 33 years of her life to public service. Elizabeth is the daughter of the late Elizabeth Thorton Moore and the late great world-boxing champion, Archie Moore.

Elizabeth received her degree in Social Welfare at San Diego State University and used it to help her beloved city. In 1966, Elizabeth began her career in public service working for the State of California Department of Rehabilitation. Her professional career with the City of San Diego included the Regional Youth Employment Program (RYEP), Community Relations and Community Services departments, and culminated with her appointment in 1985 by the City Manager to the newly established Management Assistant position of Equal Opportunity Program Coordinator. Elizabeth left the City of San Diego in 1989 to join the San Diego Unified Port District and establish their first Equal Opportunity Management department. In 1999, she was appointed Senior Director of

Administrative Services and the District Clerk.

Besides working as a public servant for San Diego, Elizabeth has also devoted a lot of her time to various community activities. She served from 1976 to 1983 as a board member of the San Diego Urban League. Since 1987, she has been on the board of the Catholic Charities of San Diego, and starting in 1990 has been a member of the San Diego Police Department's Crisis Intervention Team. Beginning in 1998, Elizabeth has been a member of the Airport Minority Advisory Council (AMAC). AMAC is a national aviation trade association established to promote equal opportunities in employment and contracting within the nation's airport system. After serving as AMAC's Secretary and Vice-Chair, she was elected President and Chairperson.

Mr. Speaker, I know Elizabeth will continue to serve her community and I join Elizabeth's friends and family in thanking her for all that she has done for the City of San Diego.
